

HANDY AUTO

Portable Gas Cutting Torch

All Types of Shapes Possible with Handy Cutting Torch

The Handy Auto automatic gas cutting torch can handle straight line, bevel, circle and shape cutting by simply rotating the wheel provided on the side of the torch. This convenient torch with its light weight body is so easy to use that you will want one in every work station!

Features & Benefits

- **Motorized Oxy Fuel Hand Torch**
Performs clean machine quality oxy fuel cuts for multiple applications; drive switch is linked to cutting oxygen valve for simultaneous operation of cutting oxygen and drive power
- **All Position Drives**
Allows cutting in any position from any direction; positive drive includes universal joints for smooth power transmission and added protection
- **Quick Change Attachments**
Perform plate beveling, circle cutting and straight line cutting with single hand changeover
- **Light Weight**
Only 5.9 lbs (2.7 kgs) and easy to carry and use
- **High Quality Tips**
Koike's superior design Series 100 torch tips are included to ensure fast, smooth cuts
