

Hypertherm®

Consumable kits

Realize the full versatility of your Powermax®
with Hypertherm consumable kits

All-in-one consumable kits — for handheld cutting

Up to
\$35
Savings
versus purchasing
contents separately

Shielded consumables

- Hypertherm's drag-cutting technology makes it easy to follow a line or template

Unshielded consumables

- With an unshielded nozzle for hard-to-reach areas and bevel cutting

Gouging consumables

- For your toughest metal-removal jobs

FineCut consumables

- For high-quality cuts on thin metal – a clean edge and a narrow kerf

FineCut consumable kits – for handheld and mechanized cutting

FineCut consumables

- For high-quality cuts on thin metal – a clean edge and a narrow kerf

All-in-one consumable kits – for handheld cutting
