

For those Customer's and Supplier's who have only ever heard my voice and not had the pleasure of meeting me in person, well this is me...

....and I am hoping for your support and encouragement to raise money for 2 groups I am involved with.

## 3 Peaks 24 hour Challenge

**A group of parents from Syston RFC will be attempting the Three Peaks Challenge in 24 hours on 4<sup>th</sup> July. All the money I raise will be split 50-50 between Syston RFC Under 17's Tour 2010 and the "House of Hope", an orphanage for HIV children in Constanta, Romania.**

Even being over the hill, I have decided to test my stamina to the limit. Always an action girl at heart, I've jumped at the chance to join some fellow parents, 9 men and 1 very fit lady, who suggested this ridiculous adventure as a "challenge of a lifetime".

### Challenge...

On 3<sup>rd</sup> and 4<sup>th</sup> July our team are going to attempt the 3 Peaks Challenge within 24 hours. Starting from Leicestershire we will drive to Ben Nevis, onto Scafell Pike and then finally to Snowdon.

### Doubts...

Many.... too old, too slow, will anyone sponsor me, will my knees give in, what do I wear?!

### My chosen charities...

### **Under 17's Team Syston Rugby Club, Leicestershire.**

As a local business and also a parent, I am involved with Syston rugby club and admire all the many volunteers who give up endless hours to coach, feed and raise funds for the club and children. The Under 17's are a great team and I am proud to help them.

## House of Hope, Constanta, Romania

An orphanage for children infected with HIV who also have learning difficulties. The home provides the 7-20 year olds with a family type environment. They urgently need support as the USA has now sadly withdrawn their support since Romania joined the EU. I hope to visit later this year and arrange regular fund raising events for this much worthwhile cause.

## How can you help?

It's really easy... just sponsor me to complete the challenge. I am praying that with all your words of encouragement and the thought of the money I can raise will help me finish all 3 mountains!

Proceeds will be split 50/50 between the two charities.

Please email [claire@westermans.com](mailto:claire@westermans.com) if you want more information on either Charity.

**Thank you so much for your support.**
