

Welding automat SAW/PAW

ESAB, type MKR 300 4x4MIR, year of manufacture 2001, item no. 443222881, serial no. A100953, horizontal travel 5,000 mm, vertical travel 5,000 mm, welding head ESAB, type A6-VEC, welding rectifier ESAB, type LAE1000, serial no. 5081413225, max. welding current 1,000 A, Welding rectifier, Nertamatic, max. welding current 450 A, cooling unit Nertamatic, type Refrijet GR5 (model year 2008), control system ESAB.
Top arm bended in $\frac{1}{4}$ of length by aprx. 12mm.
