

K-TIG 1000 EVOLVE STRAIGHTLINE TORCH

Engineered for
continuous- production
tube mill & robotic
applications.

Ideally suited to
welding applications
with limited horizontal
workspace.

TECH SPECS

| | |
|---|-----------------|
| Rating | 1000amps |
| Duty cycle | 100% |
| Water cooled | Yes |
| Welding Head | Stainless steel |
| Chassis | Aluminium |
| Power Rod | Solid copper |
| K-TIG 1000 EVOLVE STRAIGHTLINE TORCH | |
| Compatible with K-TIG precision wire delivery system | Yes |

Electrically insulated

Yes

| | |
|---------------------------|-----|
| Terminal safety guard | Yes |
| Quick release electrodes | Yes |
| Quick connect gas hoses | Yes |
| Quick connect water hoses | Yes |
| GTAW/TIG welding | Yes |
| GTAW/TIG welding | Yes |

Pulsed GTAW/TIG

Yes

| | |
|--------|----------------|
| Weight | 1.8kgs 3.9lb |
| Length | 400mm 15.7" |
| Width | 60mm 2.3" |
| Height | 145mm 5.7" |
