

Westermans International Ltd
welding and cutting solutions that don't cost the earth

35 TON POSITIONER

Detail Parameters

Model No.	Max Loading	Worktable Diameter	Rotation Speed rpm	Rotation Motor	Axis
HBJ-350	35T	2200 mm	0.05-0.5	7.5KW	2

1. Voltage 400V 50Hz 3Phase.

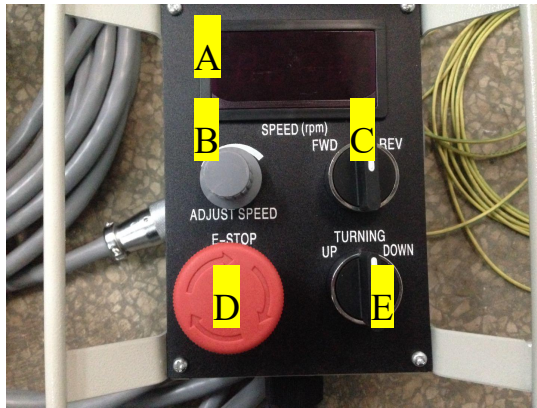

2. Motorized Rotation with remote hand box.

3. Motorized tilting with 0-90 degree.

4. Table diameter 2200mm.

5. With 2000A capacity earth connection system.

Control System

- A - Rotation speed digital display.
- B - Rotation speed adjust fast / slow.
- C - Rotation direction change.
- D - Emergency stop button.
- E - Tilting up /Down.

- F - Foot pedal for start / stop.

Detail Parts Brand

- Inverter from Schneider.
- Motor from Invertek with CE approval.
- Reducer is ST brand.
- Electric system is Schneider.
