

THE WORKHORSE ELECTAC MT FUME & DUST FILTER

The Electac portable MT welding fume & dust filter units are rugged, & efficient with a well proven design that gives a long & trouble free life.

Many companies throughout the World use both the double motor MT900 & the single motor MT800 finding that they are inexpensive to buy & economical to operate.

Being fully servicable with spares readily available is perhaps why they are probably the most used unit of it's type in the U.K.

**Electac equipment is
manufactured in the UK
