Ringwood MXC Appleby Cup Trial
Report: Andrew Kilbey

ANDREW Blackman had a good day and became the first winner of the new Appleby Cup Trial at Hamer Warren. The club was lucky with a dry day and all the riders enjoyed tackling the new course in this natural forest setting, which 25 years ago was the home of the famous Hants Grand National Motocross.

Ian Wakeford and Tim Winfield had good days winning their respective classes. John Miles, after helping to set the course the previous day, had a great ride to win the Pre-65's. Nobody recognised Geoff Guy in his new crash helmet but he must have liked it because he rode very well to win his class on seven marks lost. In the Youth classes, Ben Bramwell had a very respectable score which would have put him equal third in the Adult Experts class. Meanwhile Ryan Guy took the win in the Youth B class.

Midland Classic MCC Club Trial
Report: Mike Ransom

WALL to wall sunshine was the order of the day for the Midland Classic trial at Cooke's Quarry near Youlgreave, Derbyshire. The Sections were set out to test rider ability which included Clubman, 50/50 route and Expert classes, and because of the dry conditions and the excellent weather, it was decided to have five laps of the ten sections.

Riding the hard route Andrew Webb tied with Mick Ash on Pre-65 class. Each headed their respective classes. Both lost only two marks with Andrew losing all his marks on section nine, and judging by the total marks lost was the hardest in the trial. Mick conceded only a dab here, but finished up with another dab on section seven to even up the scores. However they were both piped by Peter Carson, this time riding the rigid Bantam, who managed to complete the whole course for the loss of a dab, losing this on section ten.

Further front runners on the Hard route were Colin Stubbs on the Ossa who led the Pre-72 class losing eight, with five of these being on section nine. Andrew Cooke on the immaculate Cheetah finished on ten, doubling his score with a five on the step in section two.

David Glover easily won the 50/50 route losing seven. He usually rides the Hard route, but this time was watching over daugh-

Jon Tye and Steve C each losing 13 marks Goodwin, Mick A and Tony Shaw also creditable close pances.
